SECTION 6: BORROWER REQUESTS, UNDERSTANDINGS, AUTHORIZATION, AND CERTIFICATION

If I am requesting an income-driven repayment plan or seeking to change income-driven repayment plans, **I request:**

- That my loan holder place me on the plan I selected in Section 2 to repay my eligible Direct Loan or FFEL Program loans held by the holder to which I submit this form.
- If I do not qualify for the plan or plans I requested, or did not make a selection in Item 2, that my loan holder place me on the plan with the lowest monthly payment amount.
- If I selected more than one plan, that my loan holder place me on the plan with the lowest monthly payment amount from the plans that I requested.
- If more than one of the plans that I selected provides the same initial payment amount, or if my loan holder is determining which of the income-driven plans I qualify for, that my loan holder use the following order in choosing my plan: REPAYE (if my repayment period is 20 years), PAYE, REPAYE (if my repayment period is 25 years), IBR, and then ICR.

If I am not currently on an income-driven repayment plan, but I did not complete Item 1 or I incorrectly indicated in Item 1 that I was already in an income-driven repayment plan, **I request** that my loan holder treat my request as if I had indicated in Item 1 that I wanted to enter an income-driven repayment plan.

If I am currently repaying my Direct Loans under the IBR plan and I am requesting a change to a different income-driven plan, **I request** a one-month reduced-payment forbearance in the amount of my current monthly IBR payment or \$5, whichever is greater (unless I request another amount below or I decline the forbearance), to help me move from IBR to the new income-driven plan I requested.

I request a one-month reduced-payment forbearance in the amount of: _____ (must be at least \$5).

I understand that:

- If I do not provide my loan holder with this completed form and any other required documentation, I will not be placed on the plan that I requested or my request for recertification or recalculation will not be processed.
- I may choose a different repayment plan for any loans that are not eligible for income-driven repayment.
- If I requested a reduced-payment forbearance of less than \$5 above, my loan holder will grant my forbearance for \$5.
- If I am requesting a change from the IBR Plan to a different income-driven repayment plan, I may decline the one-month reduced payment forbearance described above by contacting my loan holder. If I decline the forbearance, I will be placed on the Standard Repayment Plan and cannot change repayment plans until I make one monthly payment under that plan.
- If I am requesting the ICR plan, my initial payment amount will be the amount of interest that accrues each month on my loan until my loan holder receives the income documentation needed to calculate my payment amount. If I cannot afford the initial payment amount, I may request a forbearance by contacting my loan holder.
- If I am married and I request the ICR plan, my spouse and I have the option of repaying our Direct Loans jointly under this plan. My loan servicer can provide me with information about this option.
- If I have FFEL Program loans, my spouse may be required to give my loan holder access to his or her information in the National Student Loan Data System (NSLDS). If this applies to me, my loan holder will contact me with instructions.
- My loan holder may grant me a forbearance while processing my application or to cover any period of delinquency that exists when I submit my application.

I authorize the entity to which I submit this request and its agents to contact me regarding my request or my loans at any cellular telephone number that I provide now or in the future using automated telephone dialing equipment or artificial or prerecorded voice or text messages.

I certify that all of the information I have provided on this form and in any accompanying documentation is true, complete, and correct to the best of my knowledge and belief and that I will repay my loans according to the terms of my promissory note and repayment schedule.

SECTION 9: DEFINITIONS

COMMON DEFINITIONS FOR ALL PLANS:

Capitalization is the addition of unpaid interest to the principal balance of your loan. This will increase the principal balance and the total cost of your loan.

A **deferment** is a period during which you are entitled to postpone repayment of your loans. Interest is not generally charged to you during a deferment on your subsidized loans. Interest is always charged to you during a deferment on your unsubsidized loans.

The **William D. Ford Federal Direct Loan (Direct Loan) Program** includes Direct Subsidized Loans, Direct Unsubsidized Loans, Direct PLUS Loans, and Direct Consolidation Loans.

Family size always includes you and your children (including unborn children who will be born during the year for which you certify your family size), if the children will receive more than half their support from you.

For the PAYE, IBR, and ICR Plans, family size always includes your spouse. For the REPAYE plan, family size includes your spouse unless your spouse's income is excluded from the calculation of your payment amount.

For all plans, family size also includes other people only if they live with you now, receive more than half their support from you now, and will continue to receive this support for the year that you certify your family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs. Your family size may be different from the number of exemptions you claim for tax purposes.

The **Federal Family Education Loan (FFEL) Program** includes Federal Stafford Loans (both subsidized and unsubsidized), Federal PLUS Loans, Federal Consolidation Loans, and Federal Supplemental Loans for Students (SLS).

A **forbearance** is a period during which you are permitted to postpone making payments temporarily, allowed an extension of time for making payments, or temporarily allowed to make smaller payments than scheduled.

The **holder** of your Direct Loans is the U.S. Department of Education (the Department). The holder of your FFEL Program loans may be a lender, secondary market, guaranty agency, or the Department. Your loan holder may use a servicer to handle billing, payment, repayment options, and other communications. References to "your loan holder" on this form mean either your loan holder or your servicer.

A **partial financial hardship** is an eligibility requirement for the PAYE and IBR plans. You have a partial financial hardship when the annual amount due on all of your eligible loans (and, if you are required to provide documentation of your spouse's income, the annual amount due on your spouse's eligible loans) exceeds what you would pay under PAYE or IBR.

The annual amount due is calculated based on the greater of **(1)** the total amount owed on eligible loans at the time those loans initially entered repayment, or **(2)** the total amount owed on eligible loans at the time you initially request the PAYE or IBR plan. The annual amount due is calculated using a standard repayment plan with a 10-year repayment period, regardless of loan type. When determining whether you have a partial financial hardship for the PAYE plan, the Department will include any FFEL Program loans that you have into account even though those loans are not eligible to be repaid under the PAYE plan, except for: **(1)** a FFEL Program loan that is in default, **(2)** a Federal PLUS Loan made to a parent borrower, or **(3)** a Federal Consolidation Loan that repaid a Federal or Direct PLUS Loan made to a parent borrower.

The **poverty guideline amount** is the figure for your state and family size from the poverty guidelines published annually by the U.S. Department of Health and Human Services (HHS) at aspe.hhs.gov/poverty-guidelines. If you are not a resident of a state identified in the poverty guidelines, your poverty guideline amount is the amount used for the 48 contiguous states.

The **standard repayment plan** has a fixed monthly payment amount over a repayment period of up to 10 years for loans other than Direct or Federal Consolidation Loans, or up to 30 years for Direct and Federal Consolidation Loans.

SECTION 9: DEFINITIONS (CONTINUED)

DEFINITIONS FOR THE REPAYE PLAN:

The **Revised Pay As You Earn (REPAYE) plan** is a repayment plan with monthly payments that are generally equal to 10% of your discretionary income, divided by 12.

Discretionary income for the REPAYE plan is the amount by which your income exceeds 150% of the poverty guideline amount.

Eligible loans for the REPAYE plan are Direct Loan Program loans other than: **(1)** a loan that is in default, **(2)** a Direct PLUS Loan made to a parent borrower, or **(3)** a Direct Consolidation Loan that repaid a Direct or Federal PLUS Loan made to a parent borrower.

Eligible loans for the PAYE plan are Direct Loan Program loans other than: **(1)** a loan that is in default, **(2)** a Direct PLUS Loan made to a parent borrower, or **(3)** a Direct Consolidation Loan that repaid a Direct or Federal PLUS Loan made to a parent borrower.

You are a **new borrower for the PAYE plan** if: **(1)** you have no outstanding balance on a Direct Loan or FFEL Program loan as of October 1, 2007 or have no outstanding balance on a Direct Loan or FFEL Program loan when you obtain a new loan on or after October 1, 2007, and **(2)** you receive a disbursement of an eligible loan on or after October 1, 2011, or you receive a Direct Consolidation Loan based on an application received on or after October 1, 2011.

DEFINITIONS FOR THE IBR PLAN:

The **Income-Based Repayment (IBR) plan** is a repayment plan with monthly payments that are generally equal to 15% (10% if you are a new borrower) of your discretionary income, divided by 12.

Discretionary income for the IBR plan is the amount by which your adjusted gross income exceeds 150% of the poverty guideline amount.

Eligible loans for the IBR plan are Direct Loan and FFEL Program loans other than: **(1)** a loan that is in default, **(2)** a Direct or Federal PLUS Loan made to a parent borrower, or **(3)** a Direct or Federal Consolidation Loan that repaid a Direct or Federal PLUS Loan made to a parent borrower.

You are a **new borrower for the IBR plan** if **(1)** you have no outstanding balance on a Direct Loan or FFEL Program loan as of July 1, 2014 or **(2)** have no outstanding balance on a Direct Loan or FFEL Program loan when you obtain a new loan on or after July 1, 2014.

DEFINITIONS FOR THE ICR PLAN:

The **Income-Contingent Repayment (ICR) plan** is a repayment plan with monthly payments that are the lesser of **(1)** what you would pay on a repayment plan with a fixed monthly payment over 12 years, adjusted based on your income or **(2)** 20% of your discretionary income divided by 12.

Discretionary income for the ICR plan is the amount by which your adjusted gross income exceeds the poverty guideline amount for your state of residence and family size.

Eligible loans for the ICR plan are Direct Loan Program loans other than: **(1)** a loan that is in default, **(2)** a Direct PLUS Loan made to a parent borrower, or **(3)** a Direct PLUS Consolidation Loan (based on an application received prior to July 1, 2006 that repaid Direct or Federal PLUS Loans made to a parent borrower). However, a Direct Consolidation Loan made based on an application received on or after July 1, 2006 that repaid a Direct or Federal PLUS Loan made to a parent borrower is eligible for the ICR plan.

SECTION 11: SAMPLE PAYMENT AMOUNTS

The tables below provide repayment estimates under the traditional and income-driven repayment plans. These figures are estimates based on an interest rate of 6%, the average Direct Loan interest rate for undergraduate and graduate borrowers. The figures also assume a family size of 1, that you live in the continental U.S., and that your income increases 5% each year. Various factors, including your interest rate, your loan debt, your income, if and how quickly your income rises, and when you started borrowing may cause your repayment to differ from the estimates shown in these tables. These figures use the 2016 Poverty Guidelines and Income Percentage Factors.
