Types of Programs and Program Size

- Length —
 - Certificate or training
 - 2-year
 - 4-year
 - 5 year combined
- University
- Specialized or general
- Physical campus, hybrid or fully online

What length, program size and learning environment fits you best?

Would you rather:

- Attend a classes in person where you can make strong connections with your classmates and instructor, but have a strict class schedule.

OR

- Take mostly online courses where you have flexibility for timing and work, but might not make the same strong connections with classmates and the instructor.

Majors/academic programs

- What do I want to learn more about?
- What subjects interest me?
- What programs of study fit my learning style or academic goals?
- What do I hope to do and how does that connect to my educational plan?
- What if I have no idea?

Academic Focus

Would you rather...

- Go to a school that encourages you to explore many classes and fields of study.

OR

- Go to a school that has you dive right into the details of your field of interest.

Size of School

- Do I like a smaller campus where I am seen and known by most of my professors and students?
- Do I want to take a bus across campus or do I want to be able to roll out of bed and walk to class within 15 minutes?
- Do I like to be a big fish in a little pond or a little fish in a big pond?

	# Undergraduate Students
Small	Under 5000
Medium	5000-15000
Big	More than 15000

Location & Campus atmosphere

- Urban? Suburban? Rural?
- How much time and \$ do I want to spend on transportation to college?
- What type of “personality” does the campus have?
- Coed, single gender? Religious? Military?
- What sorts of supports & opportunities are available to students?

Suggestion: Check out Campus Tours or visit in-person

Location & Campus atmosphere

Would you rather...

- Go to a school where the campus is integrated into the city and there is less of a sense of campus community.

OR

- Go to a school that has a close-knit, strong campus community, but it is not very connected to the town.

Location & Campus atmosphere

Would you rather...

- Attend a school where most students live together in dorms, and you have opportunities to make many new friends.

OR

- Attend a school where most people live off campus, and you don't have to pay the school for housing and meals.

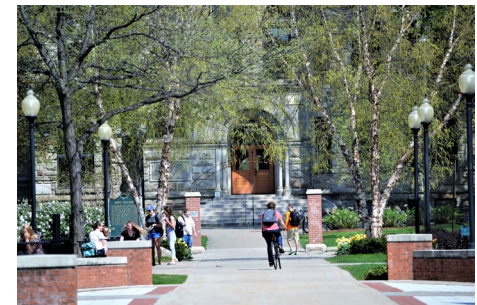

Selectivity & Academics

- What chance do I have of getting in? Are there special program requirements?
- What range of selectivity should I consider, especially for an academic scholarship or merit aid?
- What additional feedback have school counselors, teachers, coaches, etc had?

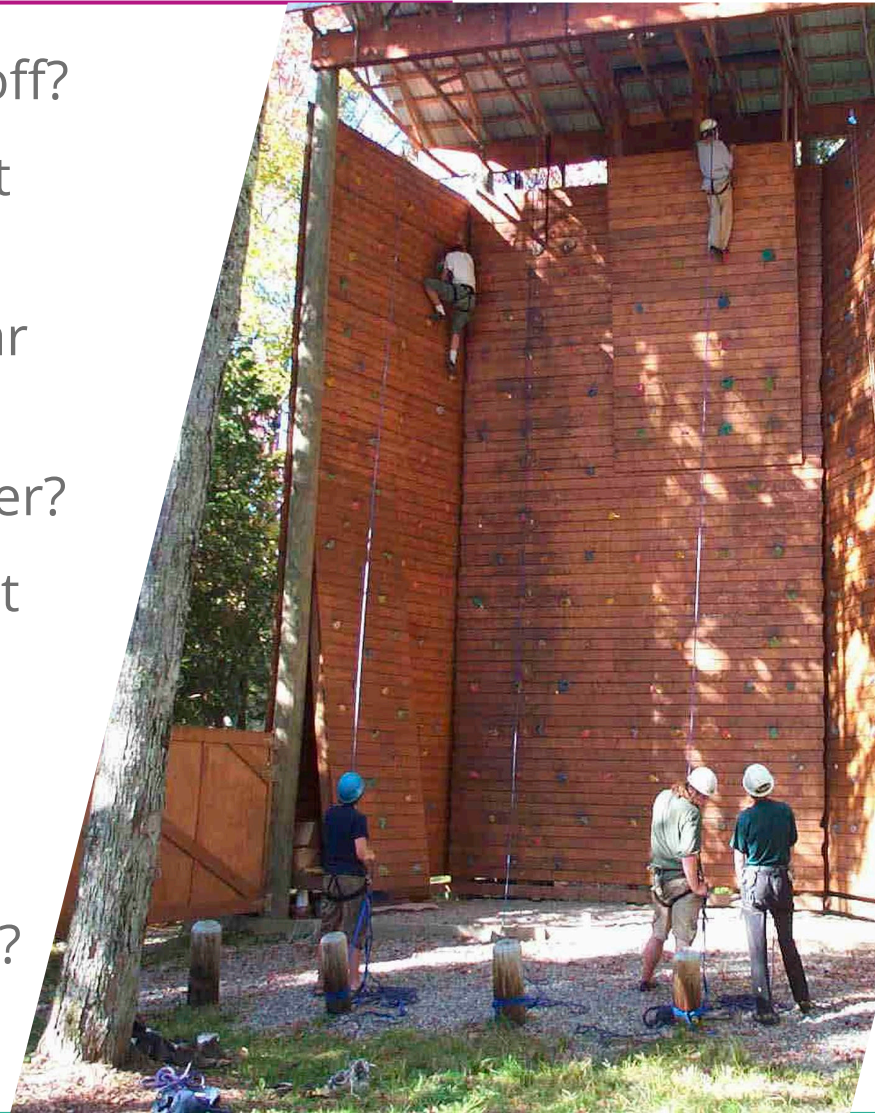

Student life & diversity

- What housing and meal options are available?
- How diverse is the student body?
- What opportunities and activities are available?
- How do students spend their time?
- What do the students say?

Housing and facilities

- Do most students live on campus or off?
- Is there on campus living requirement
- Are there multiple housing options including theme/club housing, 1st year programming options
- Are there places where students gather?
- Does the physical campus match what you are looking for? Green space, building design, campus layout, open use art and music spaces, athletic facilities, makers space
- What do current students have to say?

Student life, housing and facilities

Would you rather...

- Attend a school that has clubs for your favorite extra curriculars but isn't your dream school.

OR

- Attend your dream school that doesn't have your favorite clubs and activities.

Student life, housing and facilities

Would you rather...

- Attend a school in a place that looks and feels like Vermont.

OR

- Attend a school further away where the environment is totally different, and you could meet many kinds of people.

Student life, housing and facilities

Would you rather...

- Spend your Saturday at your college football game .

OR

- Hang out in a chill setting with your friends on the weekend.

Costs & affordability

- What is the sticker price vs. actual cost?
- What are average debt and repayment rates?
- Know your starting point:
